Hi Sam,

I think this application is well founded and I am fully supportive of the initiative. I am certain that Waitrose can offer experience and resource to assist fledgling businesses in the local area.

The Town Hall is perfectly situated and offers a great venue to explore and support this activity.

While it may sound odd, we do not have the use of electronic headed files for use in the community. All e-comms are managed centrally for consistency.

I do however have headed paper, so if you would like the old fashioned method, I would be happy to oblige.

With kind regards
Ashley Gaunt

Dear Ashley,

Further to our conversation, please find attached the latest draft of the Portas Pilot application.

If you could email me a letter of support that would be great. Do let me know of any comments or suggested changes to the bid.

I attach a letter of support already received from STAR.

Best wishes,

Sam

Dear Ashley,

Thank you for your assistance with the hot drinks for Union Street. I was pleased with the eventual publicity – I think the newspapers held the story until cold weather.

The Portas Review of High Streets set out some ideas for promoting high streets. It also asked for bids for 12 towns to
