Re: Sandbach Town Council - Portas Pilot Application

Cheshire East Council is strongly committed to working with the local community in each of its towns.

Sandbach Town Council, through its partnership working, has the strong support of local businesses, community groups, organisations and residents – all with the aim of making Sandbach a thriving, vibrant market town.

Cheshire East Council fully endorses the Town Council's bid to become a Portas Pilot town and will, as always, endeavour to support any initiatives developed to support the development and vibrancy of Sandbach.

Yours faithfully

Councillor Wesley Fitzgerald
Leader of the Council
