Dear Cllr Corcoran

Re: Sandbach submission for Portas Pilots

We understand that Sandbach Town Council are looking to submit an application to become a 'Town Team' as part of the pilot being run by the Department for Communities and Local Government in response to the Portas Review of the High Street.

As you are aware, Sandbach Partnership is a key stakeholder in the town and is committed to ensuring that Sandbach remains a successful town in the future.

The project is an exciting one for both the Group and the Town itself and there are a number of opportunities that it will create that could fit well with this pilot.

The Partnership are therefore delighted to be able to offer our support for your bid and would be happy for you to include this letter of support as part of your application.

We would like to wish you every success with the application and if successful we can engage with the pilot going forward.

For further information please contact the Partnership on 01270 752124 or email sue.brereton@sandbachpartnership.co.uk.

Yours Sincerely,

Dot Flint
